

Budget Unit Brief

FY 2017

University of Iowa - Oakdale Campus

Purpose

Established in 1989 as the Oakdale Research Park, the University of Iowa Research Park leases building sites and space to growing technology companies that require a sustained relationship with the University of Iowa (UI). The Research Park offers collaborative opportunities and convenient access to the UI's extensive research resources. Growing enterprises have access to a business incubator, research facilities, and a faculty of scientists, physicians, and engineers.

Funding

Beginning with a General Fund appropriation of \$2.6 million in FY 1989, state support for the Research Park peaked in FY 2000 at \$3.2 million and has been funded at \$2.2 million since FY 2012.
